

HARLESTON & WAVENEY ART TRAIL

2019/20

EMERGING ARTISTS: APPLICATION CRITERIA

Welcome, Applicants!

Please ensure you read all of the information on this page before filling in your application.

HWAT began the Emerging Artists scheme in 2018/19, welcoming enquiries and applications regarding membership from younger or less experienced artists and craftspeople living or working from studios near our designated area (though not necessarily within it). This year qualifying applicants will be paired with a full member of HWAT and exhibit their work within said member's studio during the 2020 art trail in May. Applicants do not need to be working full time as an artist or craftsperson to qualify, but do need to have a body of high quality work to exhibit. We anticipate applicants will have either:

A) recently left school after A levels and are aspiring to develop their practical skills working in the visual arts or

B) recently graduated from art college or university and are aiming to do the same. We acknowledge that it is highly likely that candidates may well have other paid work in support of this aim and will not yet be "professional" artists at this point in their development.

C) have been working as a professional artist for 5 years or less and are looking for advice and experience in how open studios and art trails work.

Successful applicants will need to be present in the shared studio spaces on the agreed Open Studio Art Trail weekends to meet visitors and to supervise the sale of their work during the opening times.

To promote the trail, HWAT holds a showcase or taster exhibition before and sometimes during the main trail. Emerging Artists are invited to provide one artwork each for this exhibition. Further information regarding this will be provided in the New Year.

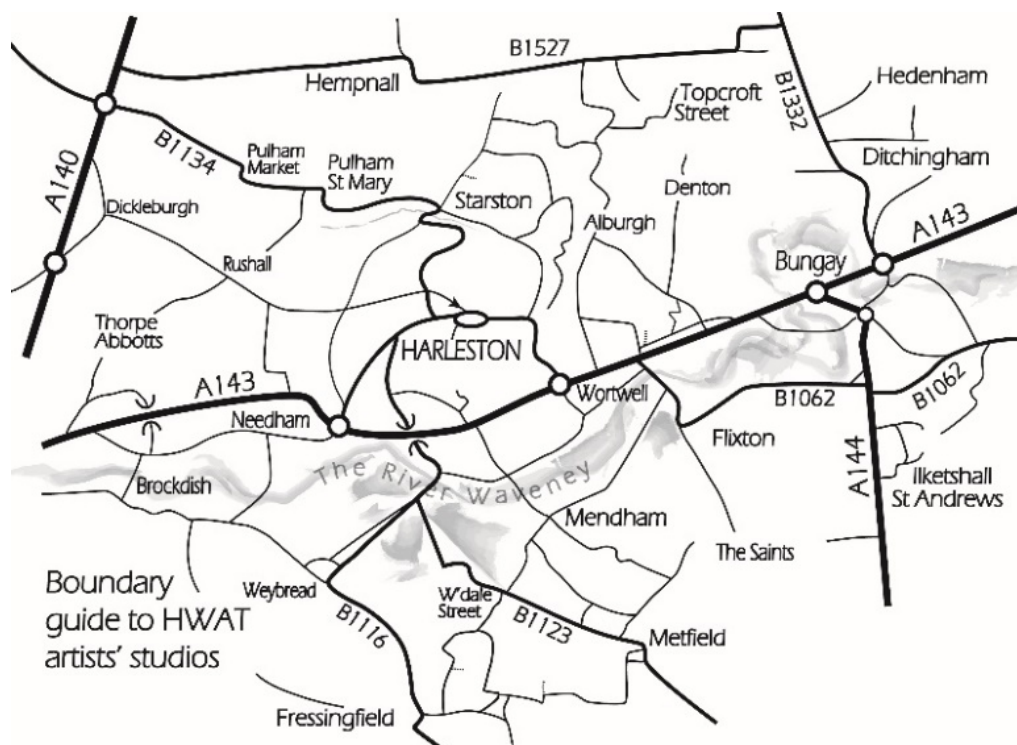

HWAT is an artist led collective with an elected Committee of three; Chair, Treasurer and Secretary. EA members are welcome to attend HWAT meetings to get an insight into how members support the group's tasks and procedures, including the following: Publicity, New Member Selection, Brochure Production, Social Media and Exhibitions (putting up, stewarding, taking down etc.) as necessary. The EA group will be represented at meetings by the group's organiser who is a full HWAT member.

Each EA should pay the annual agreed **Emerging Artist fee** which is **£20** this year. We aim always to keep this to an affordable level. If, at the end of the 2020 Art Trail you would like to apply to become a full member, you will be required to submit your new full membership application before the end of September 2020. For more information on full membership, please see our Full Membership Form.

Your completed application should be emailed to info@scribblyroo.co.uk

DEADLINE TO APPLY: Saturday 1st November 2019
